

BON
HOTEL
BLOEMFONTEIN CENTRAL

Located in the heart of Bloemfontein, this 115-roomed business hotel is easily accessible and is in close proximity to Bram Fischer International Airport.

Take the airport exit road travelling south and at the roundabout take the second exit. After the fly-over turn right on the **N8** to Bloemfontein. Continue on – you will pass the **Bloemfontein and Schoeman Park Golf Clubs** on your left hand side (you've got to get a game in - the courses are tough but if your short game and putting are on par then your scorecard will keep ticking over happily) and **Transnet** on your right hand side.

Pass under the bridge up a slight hill and keep left onto **Nelson Mandela Drive**.

At the second set of traffic lights, turn left into **East Burger Street** and **BON Hotel Bloemfontein Central** is situated on the third block on your right hand side.

The good people of BON Hotels look forward to welcoming you.
